I'm somewhat booked on Monday, except mid morning. On Tuesday I have a 10 to 2 phone meeting on Tuesday. On Wednesday I'm at CalEPA for the SJT Trib workshop (this may be good for you to go to info wise). Thurs and Fri are pretty open. Let me know what works.

Let me know what works for you.

Were you able to stay on the call? I'm around tomorrow if you want a overview of what we covered and all the assignments we decided that EPA could do!

<!--Notes ACF

Just a reminder - the phone number has changed from earlier calls:

Hi All,

Just a reminder that we have our monthly Agency Coordination Call on SWRCB WQCP update and San Joaquin Trib Settlement Issues. I have both attached the draft agenda and pasted it below. If you have some thoughts on the Draft, please forward those to me.

This meeting is a phone conference call (unless someone has a reason to get together that I've missed) and will start at 3:00. We have two hours, if needed. I expect that we will spend the most time discussing the WQCP update Phase II workshops and related, though we need to have a pretty good discussion on the SJR Trib Settlement Nov. 27 Workshop. We'll start on the Phase II issues so that those not working on the San Joaquin can have the choice to continue with the call or not when we finish that item.

Also, we have changed phone lines so that we should be better able to handle all the participants.

Again, double check with your staff and/or co-workers that should have received this email to confirm that they actually did. If someone should be added (or removed), let me know.
